#### Question 7

☒ No

Comments: A Service Delivery Company if it is subject to company law has an overriding duty to obtain maximum PROFIT for SHAREHOLDERS. The work would be outsourced to cheap unqualified inexperienced workers either in the UK or abroad to fulfil that function. The data would not be safe and secure and non- civil servants cannot be trusted with such an important Government function.

### Question 8

Are there any situations, other than those set out in this consultation, in which you would want to see an escalation process to the OCLR? Please explain what and why.

Comments: No. Unnecessary.

Comments: Ditto

### Question 16

Comments: Forget it. There have been enough Government Outsourcing disasters without adding to them.

### Question 17

Do you have any other comments on the proposals contained in this consultation?

Comments: This "consultation" has been ill considered and rushed. Why weren't the Law Society and the Council of Licensed Conveyancers (who collectively represent more than 99% of users) consulted? Why did you just consult Government Agencies and Quangos?

### Question 18

Do you have any other comments that might aid the consultation process as a whole? Please use this space for any general comments you may have. Comments on the layout of this consultation would also be welcome.
