Subject: Government consultation pub companies and tenants April 2013

Dear sirs, in response to recent comments re: pub companies. Upto now I have had a relative successful relationship with Punch Taverns. We as a company would not have been able to expand, due to the limit of credit available, without the financial aswell as personal resources Punch had to offer. Of course when dealing with such big companies, it is always how understanding and experienced the representative of the company is on the ground, to the success of the relationship.
