Subject: Gov consultation on tenanted pubs.

To whom it may concern, with regard to your consultation in respect to tenanted pubs and the fairness of the tenanted model offered by pub companies, I would like to say that I am in favour of the tenanted model, i have held a lease for several years now with Enterprise inns ,it has enabled me to operate a successful pub ,and that is mainly due to the constant and ongoing support given to me under this model. Because i have never had sufficient funds to buy my own pub, the tenancy system as provided me with the next best thing. The tenancy system dos, without doubt work, providing, like Enterprise inns,there is a total commitment to the business ,and the tenant in the form of ongoing support and assistance, and a clear understanding of the market that your operating in, this ,along with the discounts and help packages offered by the pub company, make the tenanted model a fair and good system to work with.

Yours sincerely
