Dear Sir

I operate a tenanted Pub and am writing to you because I am worried about what is going to happen in the future to my pub if you go ahead and introduce covered tape areas. The pub industry

I have been a pub tenant for over ten years and am currently running an Admiral Tavern Pub.

I have a good relationship with my BLM. They have been very supportive of me and my business and always treated me fairly.

I work well with my landlord, get support and advice so I don't understand why additional laws are necessary.

I feel very strongly about this and the potential threat to my business. I hope you will take my views into account in your review.

Yours,
