Subject: Fwd: beer tie

I would like to tell you of my experiences with pubco enterprise inns.
 we took over the [redacted] and paid the leaving landlord £65,000 for the remainder of his lease,
 the pub was doing less than 100 barrels a year,
 we worked hard to build a family local now employing [redacted]
 soon we started to benefit from this,
 we raised trade to over 550 barrels in [redacted]
 in this time we have seen [redacted]

enterprise inns has [redacted] pubs in my village the other one being the [redacted], it reopened in [redacted] (on
 there so called beacon deal)
 which means they get a discount of up to £100 per barrel and rent of £200 per week

my business is now on the verge of closing how can they sell beer at a discount to one pub and not another,
 all we are asking for is a level playing field.
 also in [redacted] rent was increased from £20,000 to £30,000 some reward for increasing there beer sales.

please stop these [redacted] from ruining another pub

yours hopfully
