Subject: Pub business model

Dear Sir/ Madam

We have an Enterprise Inns pub on a tenancy agreement, soon to change to a lease.

This is the second time we have been with Enterprise Inns, as we find the pub tenancy / lease model works for us.

Initially, we took on a pub in 2003 with Enterprise Inns on a temporary tenancy and took on the lease a few months later.

The pub went from strength to strength and we were able to sell on the lease four and a half years later for a handsome sum.

Having worked with other Pub Co's we have returned to Enterprise Inns as we prefer their business model and strong support that they offer.

Yours faithfully
