To Whom It May Concern

I am writing to confirm my relationship with Enterprise Inns Plc, our Landlords for many years.

I entered the trade in 1973 at _____ at that time the pub was owned by Watneys and since then have changed Landlords numerous times, ending with Enterprise being our current Landlords.

The tied pub model has enabled me to happily and successfully be part of the trade and for the most part prosper, had it not been for this pub model entering the trade would have been very difficult or impossible. During my 40 years in this trade I have enjoyed good and harmonious relationships with my Landlords and hopefully this will continue.

The tied pub model has also enabled me to expand our business to other pubs not necessarily with Enterprise but with other Landlords. I think it is important to hear all the views good and bad and would be quite willing to discuss any matters that any interested parties may raise.

Yours sincerely

Proprietor
