Punch Taverns Our Partnership.

Dear Mr Cable,

We took a lease with Punch on _____ and at all times we have found the team of people we work with to be helpful, responsive and professional.

They have also been extremely supportive and sympathetic, always aware of the risks and cash flow challenges entrepreneurs face.

They have always worked quickly to convert verbal agreements into actions and have shared the investment and risk showing belief in our vision and helping make it happen.

I would especially commend _____ i who has been a great support.

We look forward to our continued work together.

Best Regards,
