To Whom It May Concern

*My name is , I am the current publican and tenant of 7
, a pub belonging to Enterprise Inns.*

I wanted to put on record that it is my belief that my dealings with Enterprise have always been fair, honest and lines of communication have always been open to me from people within the company and this includes the period I ran my previous pub,

I have always believed in delivering an honest opinion and I can say that this has been reciprocated by my current contacts at Enterprise.

Without the access to large sums of money, Enterprise has given me the ability to take on a public house business, that would be well out of my reach if I had to seek to purchase the freehold of a pub property. Thank you for taking the time to consider my opinion.
