Good Morning,

With regards to the current government consultation into pubco reform, I would like to place on record my thoughts on Enterprise Inns. I took over my pub in December 2011 on a 5 year tenancy. During this time, I have found Enterprise good to deal with as a whole. They have offered me lots of support and additional merchandise to help to build my business, without this support I feel I wouldnt be able to build the pub as successfully as I have. I feel my rent is a fair reflection on my trade levels and am happy with my current agreement.

Regards,
