Subject: Tied pubs

Following the online questionnaire you have on your website i would like to express my views with pubs that are tied.

I am the tenant of ~ I have had no problems with Enterprise inns, they have always been at the end of the line when i have needed them.

I am a fully tied pub, and feel that this works well from my point of view, if anything goes wrong I have my area manager / {name} at the end of the phone who does everything he can to help and support me.

If it wasn't for having tied pubs i would never have been able to afford a pub in the first place, the rent is reasonable.

Also with enterprise pubs that are tied we have the added benefit of empowerdeals on a monthly basis.

Yours Faithfully
