Subject: Publicans

Dear Sirs

Majority of publicans tied to pub company's moan about rent , been tied. I have worked for Enterprise Inns for 10 years , we've had are ups and downs but I find them very helpful from the business manager to the credit control and the ordering team, who always let you know when promotions are on. I'm sick of big pub companies especially Enterprise Inns getting knocked about a number of issues (are they the only big pub company?) Publicans know the deal when they sign up so why don't they budget for it and get on with it. Let me tell you there's a lot worse than Enterprise Inns , don't forget every pub has it's price just ask them and they will negotiate and on the last note just be careful what you wish for . I can tell you this now as I have said before stop knocking big pub company's I've found them very fair.
