Consultation questions

- Q1. Should there be a statutory Code? *YES*
- Q2. Do you agree that the Code should be binding on all companies that own more than 500 pubs? If you think this is not the correct threshold, please suggest an alternative, with any supporting evidence. *All Pub Cos regardless of size.*
- Q3. Do you agree that, for companies on which the Code is binding, all of that company's non-managed pubs should be covered by the Code? *yes*
- Q4. How do you consider that franchises should be treated under the Code? *Same*
- Q5. What is your assessment of the likely costs and benefits of these proposals on pubs and the pubs sector? Please include supporting evidence. *minimal*
- Q6. What are your views on the future of self-regulation within the industry? *No starter*
- Q7. Do you agree that the Code should be based on the following two core and overarching principles?
- i. *Principle of Fair and Lawful Dealing* *yes*
 - ii. *Principle that the Tied Tenant Should be No Worse Off than the Free-of-tie Tenant* *yes*
- Q8. Do you agree that the Government should include the following provisions in the Statutory Code?
- i. *Provide the tenant the right to request an open market rent review if they have not had one in five years, if the pub company significantly increases drink prices or if an event occurs outside the tenant's control.* *yes*
 - ii. *Increase transparency, in particular by requiring the pub company to produce parallel 'tied' and 'free-of-tie' rent assessments so that a tenant can ensure that they are no worse off.* *yes*
 - iii. *Abolish the gaming machine tie and mandate that no products other than drinks may be tied.* *yes*
 - iv. *Provide a 'guest beer' option in all tied pubs.* *yes*
 - v. *Provide that flow monitoring equipment may not be used to determine whether a tenant is complying with purchasing obligations, or as evidence in enforcing such obligations.* *No*
- Q9. Are there any areas where you consider the draft Statutory Code (at Annex A) should be altered? *No*
- Q10. Do you agree that the Statutory Code should be periodically reviewed and, if appropriate amended, if there was evidence that showed that such amendments would deliver more effectively the two overarching principles? *yes*

Q11. Should the Government include a mandatory free-of-tie option in the Statutory Code? *Yes*

Q12. Other than (a) a mandatory free-of-tie option or (b) mandating that higher beer prices must be compensated for by lower rents, do you have any other suggestions as to how the Government could ensure that tied tenants were no worse off than free-of-tie tenants? *No*

Q13. Should the Government appoint an independent Adjudicator to enforce the new Statutory Code? *Yes*

Q14. Do you agree that the Adjudicator should be able to:

i. Arbitrate individual disputes? *Yes*

ii. Carry out investigations into widespread breaches of the Code? *Yes*

Q15. Do you agree that the Adjudicator should be able to impose a range of sanctions on pub companies that have breached the Code, including:

I. Recommendations? *Yes*

II. Requirements to publish information ('name and shame') *Yes*

III. Financial penalties? *Yes*

Q16. Do you consider the Government's proposals for reporting and review of the Adjudicator are satisfactory? *Yes*

Q17. Do you agree that the Adjudicator should be funded by an industry levy, with companies who breach the Code more paying a proportionately greater share of the levy? What, in your view, would be the impact of the levy on pub companies, pub tenants, consumers and the overall industry?

I do not think the levy will have any great impact on any part of pub sector.

I would also like to add that despite what the Pub companies say it is impossible for a tied pub operator to compete fairly with free of tie operators.

I run both free of tie pubs and a tied pub. The tied pub is considerably more disadvantaged than the free of tie outlets.
