Subject: Government consultation pub companies and tentants April 2013

To the Rt Hon Dr Vince Cable,

My name is _____, and have been a Tenant of a Punch public house in the city centre _____ for more than _____

I felt I needed to write to you concerning the government consultation into Pub Companies.

My experience has been an extremely positive one. Firstly so, without Punch, I would never have been able to afford a freehold property in the centre of _____.

I have had a very good relationship with the Punch Business Development Managers, generally they leave me to my own devices(perfect for me!-although always there for experienced advice if I ever need) if I pay my rent on time and do not buy out of tie, all the things I signed up for at the beginning of our relationship!

I attend roadshows put on by Punch, which provides great value to the general running of the pub. They are very well put together. Amazing money saving deals, new products to sample and also meeting the brewers.

These are just a few of my positive experiences.

I must go as I have a pub to run.

Your sincerely
