I'm an Enterprise Inns tenant and I must say that I enjoy a healthy and happy relationship with Enterprise Inns and so far they have been fair and reasonable. We could all be better off with lower rents and lower beer prices, but could we be running our own business without the pub cos? The tie works for me and I have agreed to the terms of my lease of my own free will.

There is a lot of competition in my village with a members club, free house and a brewery pub, but my biggest problems are the supermarkets and shops selling alcohol at ridiculous and sometimes irresponsible prices.

*Kind regards*
