Dear Sir/ Madam

During the [redacted] I have taken an interest in assisting [redacted] with the management of her pub which she has been the licensee of for [redacted] (and the sole licensee since the [redacted] in [redacted]). I have had concerns about the relationship she has had with the brewery and that she has been disadvantaged by the tied terms of their lease and the changes they have made over time to benefit themselves. I have spoken with my [redacted] and persuaded her that she may well be able to assist your programme of work, should you feel that it may be helpful to you?

Please do not hesitate to contact me if we can assist you.

Yours faithfully
