Subject: Statutory intervention into the relationship between landlords and tenants

To whom it may concern

I am writing to you with reference to our lease with Enterprise Inns.

Myself and my colleague took over the lease of the

We were new to the business and without the support and guidance from our area manager and training from Enterprise, the introduction into the licencing business would of been a nightmare.

We have enjoyed running our own business and have benefited from the experience and support that Enterprise have given to us.

Regards
