**Subject:** My Pub with Enterprise

Hi my name is [redacted] and I am a publican at [redacted] in West Yorkshire if I did not get such great support running my pub from Enterprise inns I would not have lasted two weeks the drinks etc at prices cheap enough to compete with the local opposition such as Witherspoons and Yates,, Without all the subsidised overheads "DRINKS, ACCOUNTANTS, STOCKTAKERS AND RENT" I would not make a penny they give people like me a fighting chance of making a success in the pub trade, So it,s a big thumbs up from me,,Regards
