I have held the lease at [pub name] for the last 13 years. Over this time the Pub-Co, Enterprise Inns have been a joy to work with. Our Regional manager [name] has been a great help to the success of [pub name] and he, along with his colleagues have always been there for advice and help over the years. My lease states that I am fully responsible for any repairs and alterations that are needed at [pub name] but despite this they have helped out in many ways, even a complete installation of double glazed windows and a full exterior paint job. The premises and grounds are what I would class as a large area, our bars can hold up to 250 people and parking facilities for 100 cars. There is no way I could afford to purchase a property like this and this is why I am thankful for the opportunity that Enterprise Inns have offered.

Many thanks
