#### 2. REVIEW OF ACTIVITIES:

HMC exists to serve and support its members, to represent their views and to exemplify excellence in education. Throughout the year, the Conference has continued to act as a professional association of Headmasters and Headmistresses for the purpose of the advancement of independent education and the interest of members and their schools. As well as being a company limited by guarantee, HMC is a trade union. During the last financial year HMC held its annual conference in London, with regional meetings taking place on a termly basis in the ten 'Divisions' of the UK and Ireland.

Following consultation within the Association, members indicated that they wished to see further expansion of the services provided. The current year (2013/14) has seen further refinement of the internal communications that members receive both in content and medium of delivery (digital technologies). Being widely valued in this new form, members have indicated that they wish to see these internal communications accompanied by a greater range of communications to public audiences. The means to put this in place were discussed by directors toward the end of the year and it is expected that 2014/15 will see innovation and the appointment of new staff charged with expanding and making effective enhanced public communications.

During the current year, the Conference remained critical of examining in England and its regulation, while continuing to monitor closely patterns and practices in university admissions. In respect of members, this was another very successful year of consolidation and growth during which several heads of outstanding schools previously unconnected with the Conference were welcomed into membership. The Conference benefitted once again this year from the use of facilities at the Independent Schools Council offices in London.

Each year the directors receive either a fresh strategic plan, designed to run over five years, or an update to a plan that is in progress. The current plan runs from 2013 to 2018 and was updated this year. Directors also formally considered a risk register of all of the spheres of work in which the Conference is active.

HMC owns its office premises in Market Harborough which it purchased in November 2005.

#### REPORT OF THE COMMITTEE (continued)

#### FOR THE YEAR ENDED 31 MARCH 2014

#### 3. INVESTMENTS:

Over the last year, there was a gain on revaluation and sale of UK quoted investments of £190,859 (2013: £383,353) reflecting the upward trend of the Stock Market over the financial year.

The financial statements also now include the Conference's investment in the Independent Schools Examination Board (ISEB), the value of which was £258,959 at the year end. This has been brought is as an adjustment on brought forward reserves.

#### 4. FINANCIAL SUMMARY:

The surplus for the year before revaluation gains amount to £82,702 (2013: £155,199). This is added to the accumulated fund brought forward from last year of £4,105,249. The accumulated fund carried forward to the next year amounts to £4,378,810.

As at 31 March 2014, the Conference's net current assets stood at £425,291 (2013: £451,584) and the portfolio of listed shares was valued at £3,221,325 (2013: £2,934,982).

During the year, The Treasurer reviewed the state of HMC's reserves. He recommended to the directors a revised policy requiring HMC to maintain liquid resources (cash or liquid assets, capable of being converted into cash at short notice) of at least £2.7m to cover four needs: winding up costs (£850,000); running costs for twelve months

(£750,000); contingencies (£500,000); and provision for a possible increase in the size of the premises (£600,000). Together these resources would ensure efficient operation of the Conference and thus compliance with the Conference's main objects. This recommendation has been accepted by the directors.

#### 5. STATEMENT OF DIRECTORS' RESPONSIBILITIES:

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

So far as each of the directors is aware at the time the report is approved:

- there is no relevant audit information of which the company's auditors are unaware; and
- the directors have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

#### INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF

#### THE HEADMASTERS' AND HEADMISTRESSES' CONFERENCE

We have audited the financial statements of The Headmasters' and Headmistresses' Conference for the year ended 31 March 2014 which comprise the Balance Sheet, Revenue Account, Statement of Historical Cost Profit and Loss and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and the requirements of the Financial Reporting Standards for Smaller Entities (effective April 2008).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an Auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

#### Respective responsibilities of directors and auditors

As explained more fully in the Directors' Responsibilities Statement set out on page two, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

#### Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Directors' Report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

#### Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2014 and of its result for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

#### Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- · certain disclosures of directors' remuneration specified by law are not made; or
- · we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare financial statements and the Directors' Report in accordance with the small companies regime.

The average number of employees during the year was 9 (2013: 8). No director received any remuneration in the year (2013 - £Nil). The General Secretary and the Membership Secretary were each paid a salary of £120,524 (2013: £114,170) and received no other benefits.

HMC has continued to operate a group pension scheme which is open to all employees through the Pensions Trust's Growth Plan, a multi-employer pension plan which is a money purchase scheme with guaranteed benefits. HMC would have a liability if it ceased to participate in the scheme, and received advice in May 2013 that on one basis it would be £25,144. As there are no plans to leave the scheme, this potential liability has not been provided for in the accounts. A triennial valuation of the plan was carried out as at September 2011 and HMC's additional contributions in respect of the shortfall in the employer sub-pool of £195 per year are payable with effect from April 2013 and will increase by 3% in April of each subsequent year.

HMC makes a significant contribution to the scheme at 14.1% of salary.

Alternatively employees may choose to have the employer's contribution paid into their own private pension scheme. During the past year HMC has taken independent advice regarding the best options for retaining or changing the current group pension scheme in the future.
