

We were asked:

- Q1. A list of all the Apple products (e.g. iPad, iPhone, MacBook etc.) purchased by the department since May 2010.
- Q2. In addition to that, the cost of the item and the date that each one was purchased.

We replied:

A. The Wales Office purchased an Apple iPad on 10 May 2012 at a cost of £434. The Wales Office has not procured any other products from Apple.
