[REDACTED], [REDACTED],

cc. Peter and Arwyn,

Good to speak to you just now. To confirm: you are about to talk to [REDACTED] (NFU) and AIC, before talking to the Farmer's Weekly and Guardian in the next hour or so.

I said I was grateful to you for the heads up.

I also mentioned that it's possible the SoS may wish to speak to [REDACTED] later in the day. I've copied his private office in so that they have your details as well as [REDACTED]'s.

Sarah
