

Annex B: Impact Assessment for Alma Free School Primary

School name	School type	Capacity	Attainment in 2011/12	Ofsted grade	Impact rating
Moss Hall Junior School	7-11 age range A no faith co – educational Community School	359 school places Surplus of school places of 1% of total school capacity Oversubscribed for entry in 2011/12	Above average 87% of pupils achieved the expected level at KS2 in English and maths.	Good	Minimal - The Free School is unlikely to affect the long term financial viability of the school
Moss Hall Infant School	5-7 age range A no faith co – educational Community School	270 school places Surplus of school places of -10% of total school capacity Oversubscribed for entry in 2011/12	Infant school - no Key Stage 2 data	Outstanding	Minimal - The Free School is unlikely to affect the long term financial viability of the school
Northside Primary School	3-11 age range A no faith co – educational Community School	210 school places Surplus of school places of 1% of total school capacity Oversubscribed for entry in 2011/12	Well above average 96% of pupils achieved the expected level at KS2 in English and maths.	Outstanding	Minimal - The Free School is unlikely to affect the long term financial viability of the school
Our lady of Lourdes RC School	3-11 age range A co – educational Voluntary Aided Roman Catholic School	210 school places Surplus of school places of 1% of total school capacity Oversubscribed for entry in 2011/12	Above average 83% of pupils achieved the expected level at KS2 in English and maths.	Outstanding	Minimal - The Free School is unlikely to affect the long term financial viability of the school

Manorside Primary School	3-11 age range A no faith co – educational no Community School	262 school places Surplus of school places of 10% of total school capacity Oversubscribed for entry in 2011/12	Well above average 93% of pupils achieved the expected level at KS2 in English and maths.	Outstanding	Minimal - The Free School is unlikely to affect the long term financial viability of the school
Summerside Primary School	3-11 age range A no faith co – educational Community School	365 school places Surplus of school places of -2% of total school capacity Undersubscribed for entry in 2011/12	Below average 71% of pupils achieved the expected level at KS2 in English and maths.	Good	Moderate - Due to the below average attainment of the school, parents may be attracted to the free school. The Free School is unlikely to affect the long term financial viability of Summerside primary school
Tudor Primary School	3-11 age range A no faith co – educational Community School	210 school places Surplus of school places of 4% of total school capacity Oversubscribed for entry in 2011/12	Below average 75% of pupils achieved the expected level at KS2 in English and maths.	Requires Improvement	Moderate - Due to the below average attainment and low Ofsted grade the Free School may affect the long term financial viability of Tudor Primary school
St Mary's CofE Primary School	3-11 age range A co – educational Voluntary Aided Church of England School	420 school places Surplus of school places of 0% of total school capacity Oversubscribed for entry in 2011/12	Above average 87% of pupils achieved the expected level at KS2 in English and maths.	Outstanding	Minimal - The Free School is unlikely to affect the long term financial viability of the school
Frith Manor Primary School	3-11 age range A no faith co – educational Community School	630 school places Surplus of school places of 2% of total school capacity Oversubscribed for entry	Above average 83% of pupils achieved the expected level at KS2 in English and	Outstanding	Minimal - The Free School is unlikely to affect the long term financial viability of the school

		in 2011/12	maths.		
Pardes House Primary School	4-11 age range A Voluntary Aided Jewish Boys School	262 school places Surplus of school places of 29% of total school capacity Undersubscribed for entry in 2011/12	Above average 85% of pupils achieved the expected level at KS2 in English and maths.	Good	Moderate - The school was undersubscribed for entry in 2011/12 and has a surplus of 29% of capacity which may already be impacting on the financial viability of the school. The loss of further pupils could exacerbate the existing surplus issue in the school, therefore the Free School may have a marginal impact on the long term financial viability of the school.
Akiva School	5-11 age range A co – educational Voluntary Aided Jewish School	420 school places Surplus of school places of 8% of total school capacity Oversubscribed for entry in 2011/12	Well above average 97% of pupils achieved the expected level at KS2 in English and maths.	Good	Minimal - The Free School is unlikely to affect the long term financial viability of the school
St Theresa's RC School	4-11 age range A co – educational Voluntary Aided Roman Catholic School	210 school places Surplus of school places of 2% of total school capacity Undersubscribed for entry in 2011/12	Well above average 93% of pupils achieved the expected level at KS2 in English and maths.	Good	Minimal - The Free School is unlikely to affect the long term financial viability of the school
Woodridge Primary School	4-11 age range A no faith co – educational Community School	210 school places Surplus of school places of -12% of total school capacity Oversubscribed for entry in 2011/12	Above average 87% of pupils achieved the expected level at KS2 in English and maths.	Good	Minimal - The Free School is unlikely to affect the long term financial viability of the school
St John's CofE Primary School	3-11 age range A co – educational Voluntary Aided Church of England School	203 school places Surplus of school places of -3% of total school capacity Oversubscribed for entry	Well above average 97% of pupils achieved the expected level at KS2 in English and maths.	Good	Minimal - The Free School is unlikely to affect the long term financial viability of the school

		in 2011/12			
Martin Primary School	3-11 age range A no faith co – educational Community School	463 school places Surplus of school places of 6% of total school capacity Oversubscribed for entry in 2011/12	Below average 71% of pupils achieved the expected level at KS2 in English and maths.	Outstanding	Minimal - The Free School is unlikely to affect the long term financial viability of the school
