

Annex B: Impact Assessment for Earl's Court Free School Primary

Contextual information on schools in the local area							
Local primary schools							
School name	Type	Distance from FS (miles)	Capacity	Number of surplus places across all year groups	KS2 2013 (% achieving level 4 or above in Reading, Writing, Mathematics)	Inspection rating (Inspection date)	Impact (preliminary judgement)
West London Free School Primary	4-11, non-faith, mixed, free school	0.0	420	Oversubscribed school	No KS2 data (opened 2013)	No Ofsted Grade	Minimal – Sister free school
Flora Gardens Primary School	3-11, non-faith, mixed, community school	0.2	270	38 (14.1%)	91%	Good (11/05/10)	Moderate - The free school may affect the short term financial viability of the school given its proximity to the proposed free school. As a good school with high levels of achievement and with the growing need for primary places this school can be expected to continue to be attractive to parents.
John Betts Primary School	5-11, non-faith, mixed, vol-aided school	0.3	210	0	87%	Outstanding (29/06/07)	Minimal - The free school is unlikely to affect the long/short term financial viability of the school. As an outstanding school with high levels of achievement, this school can be expected to continue to be attractive to parents.
St Paul's CofE Primary School	3-11, CoE, mixed, vol-aided school	0.3	210	14 (6.7%)	78%	Requires Improvement (19/04/13)	Moderate - The free school may affect the short term financial viability of the school. Given its average standards and poor Ofsted rating, parents who would otherwise have placed pupils at this school may decide instead to place them at Earl's Court. As a faith designated (CoE) school it is likely to appeal to different groups to the free school.
Brackenbury Primary School	3-11, non-faith, mixed, community	0.4	443	0	86%	Outstanding (27/01/09)	Minimal - The free school is unlikely to affect the long/short term financial viability of the school. As an outstanding school with high levels of achievement, this school can be expected to continue to be attractive to parents.

	y school						
Lena Gardens Primary School	3-11, non-faith, mixed, community school	0.4	189	5 (2.6%)	78%	Good (10/07/09)	Minimal - The free school is unlikely to affect the long/short term financial viability of the school. As a good school with high levels of achievement, this school can be expected to continue to be attractive to parents.
St Peter's Primary School	3-11, CoE, mixed, vol-aided school	0.4	174	0	89%	Good (30/05/12)	Minimal - The free school is unlikely to affect the long/short term financial viability of the school. As a good school with high levels of achievement, this school can be expected to continue to be attractive to parents.
Larmenier & Sacred Heart Catholic Primary School	3-11, Roman Catholic, mixed, vol-aided school	0.6	420	0	87%	Outstanding (11/02/09)	Minimal - The free school is unlikely to affect the long/short term financial viability of the school. As an outstanding school with high levels of achievement, this school can be expected to continue to be attractive to parents.
Addison Primary School	3-11, non-faith, mixed, community school	0.6	420	39 (9.3%)	87%	Good (12/10/11)	Minimal - The free school is unlikely to affect the long/short term financial viability of the school. As a good school with high levels of achievement, this school can be expected to continue to be attractive to parents.
Miles Coverdale Primary School	3-11, non-faith, mixed, community school	0.7	210	0	97%	Outstanding (01/03/13)	Minimal - The free school is unlikely to affect the long/short term financial viability of the school. As an outstanding school with high levels of achievement, this school can be expected to continue to be attractive to parents.
Greenside Primary School	3-11, non-faith, mixed, community school	0.7	210	15 (7.1%)	75%	Requires Improvement (30/11/12)	Moderate - The free school may affect the short term financial viability of the school. Given its below average standards and poor Ofsted rating, parents who would otherwise have placed pupils at this school may decide instead to place them at Earl's Court.
St Mary's Catholic Primary School	3-11, Roman Catholic, mixed, vol-aided school	0.7	209	7 (3.3%)	83%	Good (11/06/10)	Minimal - The free school is unlikely to affect the long/short term financial viability of the school. As a good school with high levels of achievement, this school can be expected to continue to be attractive to parents.
Melcombe	3-11, non-	0.7	370	70 (18.9%)	82%	Outstanding	Minimal - The free school is unlikely to affect the long/short term

Primary School	faith, mixed, community school					(26/09/13)	financial viability of the school. As a good school with high levels of achievement, this school can be expected to continue to be attractive to parents.
St Stephen's CofE Primary School	4-11, CoE, mixed, vol-aided school	0.8	400	163 (40.8%)	97%	Outstanding (06/05/11)	Minimal - The free school is unlikely to affect the long/short term financial viability of the school. As an outstanding school with high levels of achievement, this school can be expected to continue to be attractive to parents.
Good Shepherd RC Primary	3-11, Roman Catholic, mixed, vol-aided school	0.8	240	5 (2.1%)	100%	Good (22/01/09)	Minimal - The free school is unlikely to affect the long/short term financial viability of the school. As a good school with high levels of achievement, this school can be expected to continue to be attractive to parents.
				LA avg. attainment	79.0%		
				National avg. attainment	76.0%		

Permanent Site (2020 onwards) – Earl's Court Development (SW5 9UD)

Contextual information on schools in the local area							
Local primary schools							
School name	Type	Distance from FS (miles)	Capacity	Number of surplus places across all year groups	KS2 2013 (% achieving level 4 or above in Reading, Writing, Mathematics)	Inspection rating (Inspection date)	Impact (preliminary judgement)
St Cuthbert with St Matthias CoE Primary School	3-11, CoE, mixed, vol-aided school	0.1	210	18 (8.6%)	88%	Requires Improvement (06/12/12)	Moderate – The free school may affect the long term financial viability of the school. Given its poor Ofsted rating, parents who would otherwise have placed pupils at this school may decide instead to place them at Earl's Court. As a faith designated (CoE) school it is likely to appeal to

							different groups to the free school.
Bousfield Primary School	3-11, non-faith, mixed, community school	0.4	420	20 (4.8%)	92%	Outstanding (04/06/08)	Minimal - The free school is unlikely to affect the long/short term financial viability of the school. As an outstanding school with high levels of achievement, this school can be expected to continue to be attractive to parents.
Fulham Primary School	3-11, non-faith, mixed, community school	0.5	420	184 (43.8%)	67%	Good (12/09/12)	Moderate - The free school may affect the long term financial viability of the school. Given its proximity to the proposed school and its relatively low standards, parents may decide to place their child at Earl's Court Primary. The school also has a large current surplus.
Normand Croft Community School for Early Years and Primary Education	3-11, non-faith, mixed, community school	0.5	210	27 (12.9%)	79%	Good (09/10/09)	Minimal - The free school is unlikely to affect the long/short term financial viability of the school. As a good school with above average levels of achievement, this school can be expected to continue to be attractive to parents.
The London Oratory School	7-18, Roman Catholic, Boys only, Academy Converter	0.6	1101	0	100%	Outstanding (19/03/09)	Minimal - The free school is unlikely to affect the long/short term financial viability of the school. As an outstanding school with high levels of achievement, this school can be expected to continue to be attractive to parents.
St Barnabas & St Philip's CoE Primary School	5-11, CoE, mixed, vol-aided school	0.6	208	0	89%	Outstanding (15/02/07)	Minimal - The free school is unlikely to affect the long/short term financial viability of the school. As an outstanding school with high levels of achievement, this school can be expected to continue to be attractive to parents.
Servite RC Primary School	3-11, Roman Catholic, mixed, vol-aided school	0.6	210	5 (2.4%)	82%	Outstanding (07/06/07)	Minimal - The free school is unlikely to affect the long/short term financial viability of the school. As an outstanding school with high levels of achievement, this school can be expected to continue to be attractive to parents
Our Lady of Victories RC Primary School	3-11, Roman Catholic, mixed, vol-aided	0.7	210	7 (3.3%)	100%	Outstanding (28/09/11)	Minimal - The free school is unlikely to affect the long/short term financial viability of the school. As an outstanding school with high levels of achievement, this school can be expected to continue to be attractive to parents

	school						
Avonmore Primary School	3-11, non-faith, mixed, community school	0.7	208	10 (4.8%)	62%	Good (27/09/11)	Minimal - The free school is unlikely to affect the long/short term financial viability of the school. As a good school, this school can be expected to continue to be attractive to parents.
St Augustine's RC Primary School	5-11, Roman Catholic, mixed, vol-aided school	0.8	210	7 (3.3%)	96%	Outstanding (09/01/07)	Minimal - The free school is unlikely to affect the long/short term financial viability of the school. As an outstanding school with high levels of achievement, this school can be expected to continue to be attractive to parents
