HLSC	DH	AIDS (Control) (Contents of Reports) (No 2) Order	The regulations will be removed. Guidance will provide greater flexibility and sensitivity to reflect changes in how services are commissioned and delivered (current Regs and Directions reflect how services were provided 14 years ago and are open to differing interpretations around disclosure). The guidance will also address specific and evolving issues especially linked to children and young people using sexual health clinics and clarify when it will be appropriate to liaise with other health and social care services (e.g. concerns about abuse, sexual exploitation).	01/04/2013	Scrap

Retail	BRE	Offensive Weapons Act 1996	Introduced a non-statutory code of practice that has been developed alongside business, local authority and enforcement stakeholders for age restricted products such as alcohol, tobacco and solvents. The Code promotes a risk based approach to regulation, encouraging regulators to intervene only when it is necessary and proportionate to do so. Such approaches enable regulators to adopt targeted approaches, therefore reducing unnecessary burdens on responsible, compliant businesses.	01/10/2012	Improve	✓
