AUTHORIZED AMENDMENT

1. The applicability of the RA 4800-4849 series (MRP Part 145) has been increased to include Military Maintenance Organizations (MMOs), as well as its previous applicability to contractor-run maintenance organizations, known as Approved Maintenance Organizations (AMOs). This has been necessary to harmonize the regulatory requirements on military and contractor maintenance.
2. The regulation of MMOs is now more closely aligned to the regulation of AMOs. Therefore, several regulatory requirements have been subject to change.
3. As a result of this work, a number of RAs within the RA 4009-4702 series have been withdrawn, since their content has been absorbed into the RA 4800-4849 series.
