1. Defra update

REDACTED – Information does not relate to the request.

2. PHE Update

2 gave an update on the PHE literature review and the SAHSU project. The PHE funded element of the SAHSU project has been given a six month no cost extension until September 2014 and the aim is to have the literature review completed by that time. The protocol is due to be published by the end of 2013.

Action: 2 to check there is independent dispersion modelling experience on the Scientific Advisory Panel

3. EA Update

REDACTED – Information does not relate to the request.

4. AoB

REDACTED – Information does not relate to the request.
