

We were asked:

Q1. The amount spent on purchasing and maintaining trees and potted plants in all your department's properties over the last five years. Please go from January 1st 2009 to the present day.

Q2. How many trees and potted plants your department actually has in all properties.

Q3. Name and job title of person responsible for purchasing and maintaining trees and plants. And, if applicable, the name of the contractor responsible for this?

Q4. If contracted out, when is the contract up for renewal or termination?

We replied:

A1. With the exception of Christmas trees, the Wales Office has spent £20 on purchasing and maintaining trees and potted plants over the last five years.

A2. None.

A3. There is no specific individual responsible for purchasing and maintaining trees and plants. There is no contractor.

A4. N/A
