

### Impact Assessment The Aspire Academy

School name	LA	Age range	Distance from free school (miles)	School type	Ofsted grade	Impact rating
Newbridge Short Stay Secondary School	Worcestershire	11 to 16	2.6	Academy Alternative Provision Converter	No Ofsted inspection newly converted	Moderate. This school was recently a PRU which was graded by Ofsted as inadequate. The Aspire Academy will provide prevention and intervention whereas Newbridge currently serves excluded pupils. It is likely that Aspire Academy may affect the long term viability of the school.
Perryfields Primary Short-Stay School	Worcestershire	5 to 11	3.5	Pupil Referral Unit	Outstanding	Minimal. This school covers the age range 5 to 11 therefore it is unlikely The Aspire Academy will affect the long term viability of the school.
Continu Plus Academy	Worcestershire	11 to 16	11.1	Free School - Alternative Provision	No Ofsted inspection - recently opened	Minimal. Opened in 2012 this school is over 11 miles from Aspire and takes its pupil from a different geographical area. Although the educational offer of this school and Aspire may be similar the two schools have been working together to ensure there is no overlap of provision. Therefore it is unlikely that the long term viability will be affected by the

						school.
The Beacon Primary Short Stay School	Worcestershire	5 to 11	11.5	Pupil Referral Unit	Requires improvement	Minimal. This school has been classed as Requires Improvement by Ofsted but as it covers the age range 5 -11 it is unlikely that The Aspire Academy will affect the long term viability of the school.
The Forge Secondary Short Stay School	Worcestershire	11 to 16	12	Pupil Referral Unit	Good	Minimal. This school has been classed as Good by Ofsted and is 12 miles away so it is unlikely The Aspire Academy will affect the long term viability of the school.
