

Dear [REDACTED]

For your information I attach a copy of a letter to [REDACTED] [REDACTED] dated 7th March from Ambassador Gomes of Guyana on behalf of the ACP/LDC Ambassadors Sugar Sub Committee in Brussels. It contains our suggestions for text changes in the Comagri Consolidate Resolution to be voted on at the EP Plenary on 13th March .

As I have noted in a separate memo these changes are we believe essential to protect the ACP/LDC preference from attack by either duty free temporary cane sugar imports or a similar levy free release of Out of Quota beet sugar

KInd Regards

Barry
