

Dear [REDACTED]

Further to my earlier message I have heard that the Letter from Ambassador Gomes has been copied not only to Dermot Ryan (the chair of the SCA) but to all his other 27 colleagues. Similarly in addition to

Michel Dantin (rapporteur of the Single COM) all other Members of ComAgri have been included . Finally copies have been sent to Marina Yannakoudakis MEP and to all 62 signatories of her "petition"

Regards

Barry
