Dear [REDACTED]

Thank you for arranging the meeting on Friday. I found it a useful informal exchange of views on the status of the CAP Reform schedule and I look forward to pressing home some of the points at the potential meeting of ACP Ambassadors with a Minister sometime in September.

In the meantime I shall try and synthesise some of the issues which are affecting the effectiveness of the AMS programme and will send these to [REDACTED]. I agree with your view that this is a separate matter which it would be best to subordinate to the main Sugar Regime issues at the Ministerial meeting. I shall attempt to guide the Ambassadors on this but I expect that it will not be possible to avoid the matter altogether.

As agreed I will in future copy you the monthly estimate of EPA EBA supplies which I submit to DG Ag. The end July data is being sought from industries at the moment

KInd Regards

Barry
