Barry

I have now confirmed with [REDACTED] that she is available for a meeting next Tuesday (18<sup>th</sup>) at 11am here in Nobel House. We do not appear to have any conference rooms available, but we can probably squat in the cafe area again.

It would be helpful from our perspective if we could use the occasion to get your feedback on your recent meeting with DevCo on AMS distribution and more generally to get your perspective on the relative ability of the sugar industries in the different ACP / LDC countries to remain viable post CAP reform.
