Dear [REDACTED]

It has been a while since we last met and I think it might be useful if we were to catch up on the latest views of the ACP /LDC as regards a range of issues related to CAP Reform . This would embrace both the latest position on the reform proposals as they affect sugar and also the impact of EU trade policy and the AMS programme.

I understand you will be briefing your Ministers in the near future and I wondered if we might meet before then

Kind Regards

Barry
