Dear [REDACTED]

**REQUEST FOR INFORMATION: FOX PREDATION ON LANDS SINCE THE HUNTING ACT 2004**

Thank you for your request for information of the 27<sup>th</sup> March 2014 requesting a copy of the study from a number of Welsh farmers about an increased problem of fox predation on lands since the Hunting Act 2004.

The report you refer to was funded by the Federation of Welsh Farmers Packs and produced by J.R.J. Naylor and J. G. Knott about assessing whether pack of dogs is more effective at flushing red foxes to guns than a pair of dogs. Please see Annex A for a copy of this report.

If you have any queries about this letter please contact us at [rural.communities@defra.gsi.gov.uk](mailto:rural.communities@defra.gsi.gov.uk)

Yours,

Defra, Rural FOI Team
