

## STEINER ACADEMY BRISTOL FREE SCHOOL IMPACT ASSESSMENT

### PRIMARY

School name	Distance from free school	School type	Capacity	KS2 2013 (% achieving level 4 or above in Reading Test, Writing Teacher Assessment and Mathematics Test)	Ofsted grade	Impact rating
Fishponds CE Academy	0.3	Primary (Mixed 3-11) Academy Sponsor Led (Bristol Church Academies Trust)	<p><u>Overall</u></p> <p>420 places</p> <p>14 surplus places across the school (3.3% of total school capacity)</p> <p><u>At entry point</u></p> <p>2014/15: 60</p> <p>Officials understand from Bristol City Council that the school is oversubscribed for September 2014. The Council expect all entry level places to be filled.</p>	<p>55%</p> <p>Well below national and authority averages (both 76%)</p>	No OfSTED grade. School only opened in September 2012	<p><b>MODERATE:</b></p> <p>Although Fishponds CE Academy KS2 results are well below the national and authority averages, the school seems popular given the low percentage of places available across the school and that it is oversubscribed for September 2014. The Steiner Academy Bristol is therefore unlikely to affect the long term financial viability of the school.</p>

Begbrook Primary School	0.4	<p>Primary (Mixed 3-11)</p> <p>Academy Converter</p> <p>Not a faith school</p>	<p><u>Overall</u></p> <p>420 places</p> <p>No surplus places across the school</p> <p><u>At entry point</u></p> <p>2014/15: 90</p> <p>Officials understand from Bristol City Council that the school has received 95 preference applications - 51 of which were 1<sup>st</sup> preference - for places in September 2014. The Council therefore expect the school to have a number of unfilled entry level places but cannot say how many ahead of national offer day on 16 April.</p>	<p>86%</p> <p>Above national and authority averages (both 76%)</p>	<p>Good</p> <p>Date of most recent OfSTED inspection: 04/06/13.</p>	<p><b>MINIMAL:</b></p> <p>Although Begbrook Primary Academy is not expected to fill all of its entry level places in September 2014, the school is currently full, has above average KS2 results and a good OfSTED rating. The Steiner Academy Bristol is therefore unlikely to affect the long term financial viability of the school.</p>
St Joseph's RC Primary School	0.7	<p>Primary (Mixed 4-11)</p> <p>Voluntary Aided School</p> <p>RC school</p>	<p><u>Overall</u></p> <p>243 places</p> <p>30 surplus places across the school (12.3% of total school capacity)</p> <p><u>At entry point</u></p> <p>2014/15: 30</p>	<p>85%</p> <p>Above national and authority averages (both 76%)</p>	<p>Good</p> <p>Date of most recent OfSTED inspection: 22/05/12.</p>	<p><b>MINIMAL:</b></p> <p>Although St Joseph's has some surplus places across the school, the school is oversubscribed for September 2014, has above average KS2 results and a good OfSTED rating. The Steiner Academy Bristol is therefore unlikely to affect the long term financial viability of the school.</p>

			Officials understand from Bristol City Council that the school is oversubscribed for September 2014. The Council expect all entry level places to be filled.			
Chester Park Junior School	0.7	Primary (Mixed 7-11) Community School Not a faith school	<p><u>Overall</u></p> <p>233 places</p> <p>No surplus places across the school</p> <p><u>At entry point</u></p> <p>2014/15: 60</p> <p>Officials understand from Bristol City Council that the school is oversubscribed for September 2014. The Council expect all entry level places to be filled.</p>	74% Just below the national and authority averages (both 76%)	Good Date of most recent OfSTED inspection: 12/09/12.	<p><b>MINIMAL:</b></p> <p>Although Chester Park Junior's KS2 results are just below the national and authority averages, the school the school is currently full, is oversubscribed for September 2014 and has a good OfSTED rating. The Steiner Academy Bristol is therefore unlikely to affect the long term financial viability of the school.</p>
Chester Park Infant School	0.7	Primary (Mixed 5-7) Community School Not a faith school	<p><u>Overall</u></p> <p>225 places</p> <p>16 surplus places across the school (7.1% of total school capacity)</p> <p><u>At entry point</u></p> <p>2014/15: 75</p> <p>Officials understand</p>	N/A	Good Date of most recent OfSTED inspection: 19/06/10.	<p><b>MINIMAL:</b></p> <p>Although Chester Park Infant has some space places across the school, the school is oversubscribed for September 2014 and has a good OfSTED rating. The Steiner Academy Bristol is therefore unlikely to affect the long term financial viability of the school.</p>

			from Bristol City Council that the school is oversubscribed for September 2014. The Council expect all entry level places to be filled.			
Frome Vale Academy	0.7	<p>Primary (Mixed 4-11)</p> <p>Academy Sponsor Led (Cabot Learning Federation)</p> <p>Not a faith school</p>	<p><u>Overall</u></p> <p>314 places</p> <p>86 surplus places across the school (27.4% of total school capacity)</p> <p><u>At entry point</u></p> <p>2014/15: 60</p> <p>Officials understand from Bristol City Council that the school has received 30 preference applications – 14 of which were 1<sup>st</sup> preference - for places in September 2014. The Council therefore expect the school to have a number of unfilled entry level places but cannot say how many ahead of national offer day on 16 April.</p>	<p>23%</p> <p>Well below the national and authority averages (both 76%)</p>	<p>No OfSTED grade. School only opened in September 2012</p>	<p><b>MODERATE:</b></p> <p>Frome Vale Academy opened in September 2012. The school is not oversubscribed for September 2014 and its KS2 results in its first year of operation are significantly down on the previous year and well below the national and authority averages. The Steiner Academy Bristol may affect the short term financial viability of the school. In the longer term, results are expected to pick up and there will be a small shortfall of primary places in the planning area by 2016/17. Both may help increase its numbers.</p>

**SECONDARY**

School name	Distance from free school	School type	Capacity	Attainment in 2012/13 at KS4 (% achieving 5 A*-C including English and Mathematics)	Ofsted grade	Impact rating
Bristol Metropolitan Academy	0.5	<p>Secondary (Mixed 11-18)</p> <p>Academy Sponsor Led (Cabot Learning Federation)</p> <p>Not a faith school</p>	<p><u>Overall</u></p> <p>945 places</p> <p>291 surplus places across the school (30.8% of total school capacity)</p> <p><u>At entry point</u></p> <p>2014/15: 180</p> <p>Officials understand from Bristol City Council that 175 places have been offered for September 2014. The Council expect some entry level places will be unfilled.</p>	<p>47%</p> <p>Well below national (60.8%) average and below authority (52.3%) average</p>	<p>Good</p> <p>Date of most recent OfSTED inspection: 23/05/12.</p>	<p><b>HIGH:</b></p> <p>Although Bristol Metropolitan Academy has a Good OfSTED rating its KS4 results are below the national and authority averages, The school has a large number of surplus places across the school and will have some entry level places available in September 2014, despite a small shortage of places the planning area. The Steiner Academy Bristol is likely to affect the short term financial viability of the school. The demand for places in the planning area is however increasing and there will be a shortage of places across the authority by 2018/19.</p>
Bristol Brunel Academy	1.2	<p>Secondary (Mixed 11-18)</p> <p>Academy Sponsor Led (Cabot Learning Federation)</p>	<p><u>Overall</u></p> <p>1,080 places</p> <p>10 surplus places across the school (0.9% of total school capacity)</p>	<p>45%</p> <p>Well below national (60.8%) average and below authority (52.3%) average</p>	<p>Good</p> <p>Date of most recent OfSTED inspection: 11/06/13.</p>	<p><b>MODERATE:</b></p> <p>Although Bristol Brunel Academy's KS4 results are below the national and authority averages, it has a Good OfSTED rating, few surplus places across the school and will have no entry level places available in September 2014. The Steiner</p>

		Not a faith school	<u>At entry point</u> 2014/15: 216  Officials understand from Bristol City Council that 216 places have been offered for September 2014. The Council expect all entry level places to be filled.			Academy Bristol is therefore unlikely to affect the financial viability of the school.
Downend School (Local Authority: South Gloucestershire)	1.7	Secondary (Mixed 11-18)  Academy Converter  Not a faith school	<u>Overall</u> 1,425 places  183 surplus places across the school (12.8% of total school capacity)  <u>At entry point</u> 2014/15: 210  Officials understand from South Gloucestershire Council that 178 places have been offered for September 2014. The Council expect some entry level places will be unfilled.	59% Just below national (60.8%) average and higher than Bristol (52.3%) average	Satisfactory  Date of most recent OfSTED inspection: 15/03/12.	<b>HIGH:</b> Although Downend school's Ofsted report is only satisfactory, its KS4 results are only just below the national average (and higher than the average in Bristol). There are however over 10% spare places across the school and the school will have some unfilled entry level places available in September 2014. The Steiner Academy Bristol is likely to affect the short term financial viability of the school. The demand for places in the planning area is however increasing and there will be a shortage of places across the authority by 2018/19.
John Cabot Academy (Local Authority: South Gloucestershire)	1.9	Secondary (Mixed 11-18)  Academy Sponsor Led	<u>Overall</u> 1,056 places  24 surplus places	74% Well above national (60.8%) average and Bristol (52.3%)	Outstanding  Date of most recent OfSTED	<b>MINIMAL:</b> Although John Cabot Academy has some surplus places across the school, the school will have no entry level places in

		(Cabot Learning Federation)  Not a faith school	across the school (2.3% of total school capacity)  <u>At entry point</u>  2014/15: 160  Officials understand from South Gloucestershire Council that 160 places have been offered for September 2014. The Council expect all entry level places to be filled.	average	inspection: 18/11/09.	September 2014, its KS4 results are well above the national and Bristol averages and has an Outstanding OfSTED rating. The Steiner Academy Bristol is therefore unlikely to affect the financial viability of the school.
Fairfield High School	2.0	Secondary (Mixed 11-16)  Community School  Not a faith school	<u>Overall</u>  1,080 places  410 surplus places across the school (38% of total school capacity)  <u>At entry point</u>  2014/15: 216  Officials understand from Bristol City Council that 180 places have been offered for September 2014. The Council expect some entry level places will be unfilled.	50% Well below national (60.8%) average and below authority (52.3%) average	Good  Date of most recent OfSTED inspection: 11/06/13	<b>HIGH:</b> Although Fairfield High has Good OfSTED rating, its KS4 results are well below the national average (and below the authority average). There are a high number of spare places across the school and the school will have some unfilled entry level places available in September 2014. The Steiner Academy Bristol is likely to affect the short term financial viability of the school. The demand for places in the planning area is however increasing and there will be a shortage of places across the authority by 2018/19.

<p>Mangotsfield School (Local Authority: South Gloucestershire)</p>	<p>2.0</p>	<p>Secondary (Mixed 11-18)  Community School  Not a faith school</p>	<p><u>Overall</u>  1,404 places  85 surplus places across the school (6.1% of total school capacity)  <u>At entry point</u>  2014/15: 240  Officials understand from South Gloucestershire Council that 223 places have been offered for September 2014. The Council expect some entry level places will be unfilled.</p>	<p>56% Below national (60.8%) average and higher than Bristol (52.3%) average</p>	<p>Requires improvement  Date of most recent OfSTED inspection: 10/01/13</p>	<p><b>MODERATE:</b>  Although Mangotsfield school's KS4 results are above the Bristol average, its KS4 results are below the national average and it has a Requires Improvement Ofsted rating. It has a relatively small level of surplus places across the school and is expected to have a small number of entry level places in September 2014. The Steiner Academy Bristol may therefore affect the short term financial viability of the school. The demand for places in the planning areas is however increasing and there will be a shortage of places across the authority by 2018/19.</p>
<p>The City Academy Bristol</p>	<p>2.2</p>	<p>Secondary (Mixed 11-18)  Academy Sponsor Led (The City Academy)  Not a faith school</p>	<p><u>Overall</u>  1,250 places  292 surplus places across the school (23.4% of total school capacity)  <u>At entry point</u>  2014/15: 195  Officials understand from Bristol City Council that 130 places have been offered for</p>	<p>35% Well below national (60.8%) average and authority (52.3%) average</p>	<p>Good  Date of most recent OfSTED inspection: 21/03/12</p>	<p><b>HIGH:</b>  Although The City Academy Bristol has a Good OfSTED rating, its KS4 results are well below the national and authority averages. There are a high number of spare places across the school and the school may have a significant number of unfilled entry level places available in September 2014 (only 130 places offered out of 195 available). The Steiner Academy Bristol is likely to affect the short term financial viability of the school. The demand for places in the planning area is increasing and there will be a shortage of places across the authority by 2018/19...</p>

			September 2014. The Council expect some entry level places will be unfilled.			
Bristol Technology and Engineering Academy (Local Authority: South Gloucestershire)	2.2	Secondary (Mixed 14-19)  UTC  Not a faith school	<p><u>Overall</u></p> <p>484 places</p> <p>No surplus data available</p> <p><u>At entry point</u></p> <p>2014/15: 132</p> <p>Officials understand from South Gloucestershire Council that 132 places have been offered for September 2014. The Council expect all entry level places to be filled.</p>	No KS4 data available	Academy not yet inspected by OfSTED	<b>Too early to assess impact</b>
Abbeywood Community School (Local Authority: South Gloucestershire)	2.2	Secondary (Mixed 11-18)  Academy Sponsor Led (Olympus Academy Trust)  Not a faith school	<p><u>Overall</u></p> <p>1,217 places</p> <p>420 surplus places across the school (34.5% of total school capacity)</p> <p><u>At entry point</u></p> <p>2014/15: 180</p> <p>Officials understand</p>	59% Below national (60.8%) average and higher than Bristol (52.3%) average	Academy not yet inspected by OfSTED. Opened in January 2013.	<p><b>MODERATE:</b></p> <p>Abbeywood Community school has average KS4 results (below the national average but above the Bristol average) and has a significant percentage of surplus places across the school. It is however expected that most of its entry level places will be filled for September 2014 which means that the Steiner Academy Bristol is likely to have only having a minimal to moderate impact on the school's viability.</p>

			from South Gloucestershire Council that 178 places have been offered for September 2014. The Council expect some entry level places will be unfilled.
