Dear Sirs

Park View Educational Trust: Action Plan

I am writing to you in your role as members and trustees for Park View Educational Trust (the Trust). You will be aware that I had written to the previous trustees on 9 June notifying them that I was minded to terminate the funding agreement with the Trust unless I was assured that the concerns in my letter would be addressed promptly, to my satisfaction and in full.

The Trust responded on 3 July but failed to provide me with the assurance that I require. Following their resignation on 16 July I do not intend to continue with the termination process.

The matters that I have raised do still need to be addressed however. I therefore would like to request an action plan by 1 October that demonstrates to me that the matters of concern will be addressed promptly and in full by you. I would be grateful to receive this.

Yours faithfully,

LORD NASH
