

Annex B: Impact Assessment

The Rise Impact Assessment

We have looked at 21 special schools within a 6 mile radius from the site of The Rise School. We have concluded that The Rise School will have a minimal impact on all 21 of these schools.

School name	School type	Total number of pupils on roll	Capacity	Special Needs	Ofsted grade	Impact rating
Lindon Bennett School	Community Special School (3-11)	138	Unknown	1) SLD	Outstanding (July 2009)	Minimal – this school is 1.1 miles away from The Rise and caters for pupils with Severe Learning Difficulty at primary school age. It has an outstanding Ofsted rating and The Rise is unlikely to affect the long term viability of the school because of the focus on High Functioning Autism, and its secondary offer.
Marjory Kinnon School	Community Special School (4-16)	160	Unknown	1) VI 2) ASD, BESD, MLD, PD, SLCN	Requires Improvement (April 2013)	Minimal – this school is 1.6 miles away from the Rise. Despite the RI Ofsted rating, The Rise is unlikely to affect the long term viability of the school because of the relatively high number of pupils on roll and the much broader range of SEN needs catered for at Marjory Kinnon.
Clarendon School	Community Special	115	120	1) ASD, MLD	Good (June 2011)	Minimal – this school is 2.1 miles away from the Rise and caters for pupils with Autistic

School name	School type	Total number of pupils on roll	Capacity	Special Needs	Ofsted grade	Impact rating
	School (7-16)					Spectrum Disorder and Moderate Learning Difficulty. There are a small number of surplus places (5) but it has a good Ofsted rating. The Rise is unlikely to affect the long term viability of the school because of the focus on High Functioning Autism and its post-16 offer.
The Cedars Primary School	Community Special School (5-11)	57	55	1) BESD 2) ASD 3) SLCN 4) ADHD	Outstanding (March 2009)	Minimal – this school is 2.8 miles away from the Rise. It is slightly oversubscribed (2) and caters for a range of SEN needs at primary school age. It has an outstanding Ofsted rating and The Rise is unlikely to affect the long term viability of the school because of the focus on High Functioning Autism, and its secondary offer.
Oaklands School	Community Special School (11-19)	77	Unknown	1) SLD	Good (January 2013)	Minimal – this school is 2.9 miles away from the Rise. It caters for pupils with Severe Learning Difficulty and has a good Ofsted rating, with some outstanding features. The Rise is unlikely to affect the long term viability of the school because of the focus on High Functioning Autism and its primary offer.
Manor Mead School	Community Special School	91	Unknown	1) VI 2) ASD, BESD, PD,	Outstanding (January 2010)	Minimal – this school is 3.9 miles away from the Rise. It caters for a broad range of SEN needs at primary school age and has an

School name	School type	Total number of pupils on roll	Capacity	Special Needs	Ofsted grade	Impact rating
	(2-12)			SLCN, SLD		outstanding Ofsted rating. The Rise is unlikely to affect the long term viability of the school because of the focus on High Functioning Autism and its secondary offer.
The Sybil Elgar School	Other Independent Special School (4-19)	82	120	1) ASD, SLD	No Ofsted inspection	Minimal – this school is 4.0 miles away from The Rise. There is a surplus of places (38) and it may lose some pupils to The Rise as it is also a 4-19 school aimed at pupils with Autistic Spectrum Disorder. However, given that the focus at The Rise will be on pupils with High Functioning Autism, the impact on Sybil Elgar should be minimal.
Strathmore School	Community Special School (3-19)	44	Unknown	1) SLD	Good (February 2012)	Minimal – this school is 4.1 miles away from the Rise. It caters for pupils with Severe Learning Difficulty and has a good Ofsted rating, with some outstanding features. The Rise is unlikely to affect the long term viability of the school because of the focus on High Functioning Autism.
Bedelsford School	Foundation Special School (2-16)	59	Unknown	1) PD, PMLD	Outstanding (September 2012)	Minimal – this school is 5.1 miles away from the Rise. It has an outstanding Ofsted rating and focuses on pre-16 pupils with Physical Disability and Profound and Multiple Learning Difficulty. The Rise is unlikely to affect the long

School name	School type	Total number of pupils on roll	Capacity	Special Needs	Ofsted grade	Impact rating
						term viability of the school because of the focus on High Functioning Autism and its post-16 offer.
Walton Leigh School	Community Special School (11-19)	67	Unknown	1) SLD	Outstanding (June 2009)	Minimal – this school is 5.3 miles away from the Rise. It has an outstanding Ofsted rating and is aimed at pupils with Severe Learning Difficulty. It has a post-16 offer, however, The Rise is unlikely to affect the long term viability of the school because of the focus on High Functioning Autism, and its primary offer.
St Ann's School	Community Special School (11-19)	84	80	1) ASD, PMLD, SLD, 2) SLD	Good (May 2013)	Minimal – this school is 5.3 miles away from the Rise. It is slightly oversubscribed (4) and caters for a range of SEN needs, including Autistic Spectrum Disorder. The Rise is unlikely to affect the long term viability of the school because of the focus on High Functioning Autism and its primary offer.
PPP Community School	Other Independent Special School (13-16)	58	115	1) BESD	No Ofsted inspection	Minimal – this school is 5.7 miles away from The Rise and caters for pupils with Behaviour, Emotional and Social Difficulty in years 9-11. There is a significant surplus of places (57), however, The Rise is unlikely to affect the long term viability of the school because of the focus on High Functioning Autism and its

School name	School type	Total number of pupils on roll	Capacity	Special Needs	Ofsted grade	Impact rating
						primary and post-16 offer.
Kisimul School	Other Independent Special School (8-19)	41	75	1) SLD	No Ofsted inspection	Minimal – this school is 5.7 miles away from The Rise and caters for pupils with Severe Learning Difficulty. There is a surplus of places (34), however, The Rise is unlikely to affect the long term viability of the school because of the focus on High Functioning Autism.
Philip Southcote School	Community Special School (11-16)	110	100	1) MLD, HI	Good (October 2013)	Minimal – this school is 5.8 miles away from The Rise. It is oversubscribed (10) and caters for pupils with Moderate Learning Difficulty and Hearing Impairment at secondary school age. The Rise is unlikely to affect the long term viability of the school because of the focus on High Functioning Autism, and its primary and post-16 offer.
The Willows School Academy Trust	Academy Special Converter (3-11)	28	38	1) BESD	Inadequate (June 2013)	Minimal – this school is 5.7 miles away from The Rise and caters for pupils with Behaviour, Emotional and Social Difficulty at primary school age. There are surplus places (10) and is has an inadequate Ofsted rating. However, The Rise is unlikely to affect the long term viability of the school because of the focus on High Functioning Autism, and its secondary

School name	School type	Total number of pupils on roll	Capacity	Special Needs	Ofsted grade	Impact rating
						offer.
Insights Independent School	Other Independent Special School (7-18)	43	60	1) BESD, MLD	No Ofsted inspection	Minimal – this school is 5.9 miles away from The Rise and caters for pupils with Behaviour, Emotional and Social Difficulty, and Moderate Learning Difficulty. There are surplus places (17), however, given that the focus at The Rise will be pupils with High Functioning Autism, the impact on Insights should be minimal.
Hillingdon Manor School	Other Independent Special School (3-19)	131	125	1) ASD, AS, HI, SLD	No Ofsted inspection	Minimal – this school is 5.9 miles away from The Rise. It caters for a range of SEN needs, including Autistic Spectrum Disorder and Severe Learning Difficulty, and is slightly oversubscribed (6). The Rise is unlikely to affect the long term viability of the school because of the focus on High Functioning Autism.
Moorcroft School T/A the Eden Academy	Academy Special Converter (11-19)	62	Unknown	1) ASD, PMLD, SLD	Requires Improvement (December 2012)	Minimal – this school is 5.9 miles away from The Rise. It caters for pupils with Autistic Spectrum Disorder, Severe Learning Difficulty, and Profound and Multiple Learning Difficulty at secondary school age. Despite the RI Ofsted rating, The Rise is unlikely to affect the long term viability of the school because of the focus on High Functioning Autism, and its

School name	School type	Total number of pupils on roll	Capacity	Special Needs	Ofsted grade	Impact rating
						primary offer.
Chantry School	Foundation Special School (11-16)	59	Unknown	1) BESD	Requires Improvement (June 2013)	Minimal – this school is 5.9 miles away from The Rise and caters for pupils with Behaviour, Emotional and Social Difficulty at secondary school age. It has an RI Ofsted rating, however, The Rise is unlikely to affect the long term viability of the school because of the focus on High Functioning Autism, and its primary and post-16 offer.
Dysart School	Community Special School (4-19)	69	Unknown	1) ASD, SLD	Outstanding (January 2012)	Minimal – this school is 6.0 miles away from The Rise. It caters for pupils with Autistic Spectrum Disorder and Severe Learning Difficulty, and has an outstanding Ofsted rating. The Rise is unlikely to affect the long term viability of the school because of the focus on High Functioning Autism.
Springhallow School	Community Special School (5-16)	75	Unknown	1) SLCN 2) ASD	Good (March 2013)	Minimal – this school is 6.0 miles away from The Rise and caters for pupils with Speech, Language and Communication as its first priority. It has a good Ofsted rating and The Rise is unlikely to affect the long term viability of the school because of the focus on High Functioning Autism, and its post-16 offer.
