Agenda

- 1. Introduction and round table- HS2 Ltd**
 - 2. Update on HS2 land-use model**
 - 3. HS2 Regional Impacts**
- 1. Background**
 - 1.1 This note provides a summary of advisory panel discussion and feedback on presentations by David Simmonds Consultancy (DSC) on the HS2 land-use model development and Lewis Atter (KPMG) on HS2 Regional Impacts work. The note groups similar issues together and does not therefore provide an exact timeline of the discussion.
 - 2. Update on HS2 land-use model**
 - 2.1 David Simmonds gave a presentation which outlined the scope and overviews of the current model, work conducted since the August 2013 reports, results from the main HS2 'Do Something' test and variations around it, and further work in hand.
 - 3. HS2 Regional Economic Impacts**
 - 3.1 KPMG outlined evidence presented to the Treasury Select Committee and the next steps.
