

User Profile Analysis

*Results up to quarter
ending September 2014*

Independent
Living Fund

Geographical distribution of users

The numbers of individual users receiving a payment in the period is shown by local authority area, together with totals for England, Wales, Scotland and Northern Ireland. As requested by a number of readers, we have shown separate figures for each User Group* as well as the total number of users and overall percentage for each area. We have used information from the 2011 Census in order to provide proportional figures (total number of ILF Users per 10,000 of population). We have also provided a comparison with DWP statistics from February 2014 and Department for Social Development (NI) statistics from November 2013 on (working age) recipients of highest care component of DLA (currently in payment).

*Group 1 Users were clients of the original Independent Living Fund which closed on 31 March 1993; Group 2 Users applied on or after 1 April 1993.

Geographical distribution of ILF funding

The numbers of individual users receiving a payment in the period is shown by social services area, together with totals for England, Wales, Scotland and Northern Ireland. As requested by a number of readers, we have included the average four weekly payment and the total payments over the previous quarter. We have also included the percentage of total payments in each area against the total for the country and the ILF as a whole.

*Group 1 Users were clients of the original Independent Living Fund which closed on 31 March 1993; Group 2 Users applied on or after 1 April 1993.
