

Annex B: Impact Assessment

Table 1: Impact of Free School on local secondary schools

School name	Distance from free school (miles)	School type	Capacity	Attainment in 2011/12	Ofsted grade	Impact rating
Towers School and Sixth Form Centre	2.5	11-19 age range Academy Converter No faith	1625 school places Surplus of school places of 10% of total school capacity	Well below average 40.3% of pupils achieved 5A*-C including English and maths.	Requires Improvement	High
		Mixed	Undersubscribed for entry in 2011/12			<p>This school has a surplus of school places of 10% of its total school capacity and is also undersubscribed. It is therefore likely to lose a significant number of pupils to the Free School.</p> <p>It is a non-selective school.</p> <p>The Free School is likely to affect the long term financial viability of the school</p>
The Norton Knatchbull School	3.3	11-18 age range Academy Converter No faith	1116 school places Surplus of school places of 4%	Well above average 93.8% of pupils achieved 5A*-C including English and maths.	Good	Minimal
		Boys	Undersubscribed for entry in 2011/12			<p>This school has a surplus of school places of 4% of its total capacity of 1116 school places. It is currently considering an increase of its PAN by admitting 180 boys. Girls are accepted in the Sixth Form.</p> <p>The Free School is unlikely to affect the long term financial viability of the school</p> <p>Selective grammar</p>

The North School	3.6	11-19 age range Community School No faith Mixed	1135 school places Surplus of school places of -4% Oversubscribed for entry in 2011/12	Well below average 34.2% of pupils achieved 5A*-C including English and maths.	Satisfactory	<p style="text-align: center; background-color: #e67e22; color: white; padding: 5px;">Moderate</p> <p style="text-align: center;">This school is oversubscribed and gives admissions preference by distance.</p> <p style="text-align: center;">The Free School may affect the long term financial viability of the school</p> <p style="text-align: center;">Non-selective</p>
Highworth Grammar School for Girls	3.9	11-18 age range Academy Converters No faith Girls	1227 school places Surplus of school places of -7% Oversubscribed for entry in 2011/12	Well above average 97.7% of pupils achieved 5A*-C including English and maths.	Outstanding	<p style="text-align: center; background-color: #27ae60; color: white; padding: 5px;">Minimal</p> <p style="text-align: center;">This is a selective grammar school and oversubscribed. The school also admits boys to the sixth form.</p> <p style="text-align: center;">The Free School is unlikely to affect the long term financial viability of the school</p> <p style="text-align: center;">Selective</p>
The John Wallis Church of England Academy	5.3	3-19 age range Academy Sponsor Led Church of England	1300 school places	Well below average	Not yet inspected - opened in 2010	<p style="text-align: center; background-color: #e67e22; color: white; padding: 5px;">Moderate</p> <p style="text-align: center;">This school is undersubscribed and has a surplus of 35% of school places. The school plans to move to a new site in 2013. The school gained academy status in September 2010 and became an all-through 3 - 19 academy from 1 September 2012. A s8 monitoring inspection was carried out by Ofsted on 10 and 11 July 2012.</p>

		Mixed	<p>Surplus of school places of 35%</p> <p>Undersubscribed for entry in 2011/12</p>	<p>44% of pupils achieved 5A*-C including English and maths.</p>	<p>Non selective by ability</p> <p>The Free School may affect the long term financial viability of the school</p>

Annex B: Impact Assessment - only for Free Schools with proposed sixth forms

Table 2: Impact of Free School on local colleges schools

College name	Distance from free school (miles)	College type	Capacity	Attainment in 2011/12	Ofsted grade	Impact rating
Canterbury College	9.1	Further Education college	5997 learners 70% of learners are aged 16-18 This is a large college	Well below average The average points score at level 3 in 2012 is 502.8	Satisfactory	Moderate
						<p>The February 2012 Ofsted report rated the College as satisfactory. In 2010/11 the proportion of school leavers achieving 5 A* to C GCSE grades including English and mathematics in Kent was around the national averages with some considerable variations across the county. They were highest in the Canterbury area but were considerably lower in Ashford and Dover.</p> <p>The Free School may affect the long term financial viability of the college</p>
Mid-Kent College of Higher and Further Education	22.5	Further Education college	6114 learners 70% of learners are aged 16-18 This is a large college	Well below average The average points score at level 3 in 2012 is 530.9	Good	Moderate
						<p>The last focused monitoring visit by Ofsted was in June 2011. The College was rated as good but well below average. According to the Ofsted report, in 2010/11, retention on long courses at all levels had improved significantly.</p> <p>The Free School may affect the long term financial viability of the college</p>
East Kent College	24.5	Further Education college	5210 learners	Well below average	Good	Minimal

			<p>Less than 50% of learners are aged 16-18</p> <p>This is a large college</p>	<p>The average points score at level 3 in 2012 is 535.6</p>	<p>The Ofsted Learning and Skills inspection report in March 2013 rated the College as good but outcomes and progress for apprentices and learners on long advanced programmes are not yet good enough and those for learners on functional skills programmes are below national averages.</p> <p>The Free School may affect the long term financial viability of the college</p>
