**To:** 'ben.bryant@telegraph.co.uk'  
**Subject:** RE: Freedom of information request  
**Attachments:** UKAEA - Exec Expenses 2011-2014.xlsx

Dear Ben,

We have completed our search for the information that you requested on the itemised expenses claims for the UK Atomic Energy Authority's CEO and senior team.

We have provided the itemised expenses claims for our CEO and the Directors on his executive team. This is attached as an excel spreadsheet as requested. Each of the past 3 financial years is provided as a separate sheet.

Please note that Catherine Pridham only joined us in 2013, therefore there is no data for her before this.

The majority of the expense claims relate to attendance of meetings and events, including expenses relating to our business in Europe and overseas. Our CEO, in particular, is invited to give external and overseas talks.

Your enquiry has been dealt with under the Freedom of Information Act. If you are unhappy with the service you have received in relation to your request please let me know. Our complaints procedure is available on: <https://www.gov.uk/government/organisations/uk-atomic-energy-authority/about/complaints-procedure>

Kind regards,

Maya

Dr Maya Riddle, Secretariat, UK Atomic Energy Authority,  
K2/1/10, Culham Science Centre

Subject: Freedom of information request

Dear Sir/Madam,

I would like to make a request under the freedom of information act 2000.

I would like to obtain full, itemised expenses claims for your chief executive and senior management team for the last three full financial years. I would prefer to receive this in the form of an excel spreadsheet file if possible.

If time constraints make it challenging for you to provide information for the last three years I respectfully request that you focus on providing information for the 2013-14 financial year. Similarly, if you are only able to release some of the information I would ask that you release this data rather than withhold the entire set.

If the decision is made to withhold some of this data using exemptions in the act, please inform me of that fact and cite the exemptions used.

Please discuss any problems with processing this request with me by phone or email before deciding to reject it outright. Similarly, if you require any more clarification do not hesitate to contact me.

Please can you confirm that you have received this request.

Yours sincerely,

Ben Bryant  
020 7931 3353
