Information released title	Employer responses: review online survey
Original request	I would like to know how many responses were received to the "Review of Adult Vocational Qualifications in England" Survey recently undertaken by UKCES and how many of the responses were from employer organisations, as opposed to training providers, colleges, Sector Skills Councils or other non-employer organisations.
Date of release	04/06/2013
Requester type	Individual

Information released:

The UK Commission for Employment and Skills received 405 usable responses to the online survey undertaken as part of the Review of Adult Vocational Qualifications in England. Of these, 76 responses were received from respondents who identified themselves as employers and 25 were from respondents who identified themselves as employer representative bodies, of which 10 represented Sector Skills Councils.
