

Annex B: Impact Assessment - North Somerset Enterprise and Technology College (NSETC)

The following schools apply to both the permanent (Weston Airfield, BS24 8PP) and temporary site (Weston College Campus, BS23 2AL) locations.

Contextual information on schools in the local area							
Local secondary schools							
School name	Type	Distance from FS (miles)	Capacity / PAN	Number of surplus places	Attainment 2012/13 (% achieving 5 A* - C including English and Maths)	Inspection rating (Inspection date)	Impact (preliminary judgement)
Hans Price Academy	11-16, non-faith, mixed, Academy Sponsor Led	1.1	1200 / 240	518 (43.2%)	40%	Good (12/06/2013)	High - The Free School is likely to affect the long/short term financial viability of the school. Given its relatively low standards and close proximity, parents may decide to place their child at NSETC. The school also has a large current surplus.
Broadoak Mathematics and Computing College	11-16, non-faith, mixed, Academy Converter	1.5	900 / 180	0 (0%)	54%	Good (22/11/2012)	Minimal - The Free School is unlikely to affect the long/short term financial viability of the school. As a good school with sound levels of achievement, this school can be expected to continue to be attractive to parents, particularly those wanting their child to specialise in Mathematics or Computing.
Worle Community School	11-16, non-faith, mixed, Foundation School	2.3	1500 / 300	15 (1%)	51%	Satisfactory (23/02/2012)	Moderate - The Free School may affect the long/short term financial viability of the school. Given its relatively low standards and poor Ofsted rating, parents who would otherwise have placed pupils at this school may decide instead to place them at NSETC.
Priory Community School	11-16, non-faith, mixed, Academy Converter	3.2	1200 / 256	0 (0%)	75%	Good (01/07/2010)	Minimal - The Free School is unlikely to affect the long/short term financial viability of the school. As a good school with high levels of achievement, this school can be expected to continue to be attractive to parents.
Churchill Academy	11-16, non-faith, mixed, Academy Converter	7.5	1605 / 261	95 (5.9%)	69%	Good (06/05/2010)	Minimal - The Free School is unlikely to affect the long/short term financial viability of the school. As a good school with above average levels of achievement, this school can be expected to continue to be attractive to parents.
					LA avg. attainment	58.5%	
					National avg. attainment	60.8%	
School name	Type	Distance from FS (miles)	Approx. number of pupils at the college	Approx. % of those ages 16-18	Average points score 2012/13	Inspection rating	Impact (preliminary judgement)
Weston College	General Further Education College	0	5623	53.9%	677.4	Outstanding (13/12/2013)	Minimal - The free school is unlikely to affect the long term viability of the school
Bridgwater College	Tertiary College	15.2	6070	59.1%	772.8	Outstanding (17/11/2006)	Minimal - The free school is unlikely to affect the long term viability of the school
City of Bristol College	General Further Education College	17.7	12,738	35.7%	705.2	Inadequate (22/02/20013)	Minimal - The free school is unlikely to affect the long term viability of the school.
LA avg. attainment		734.2					
National avg. attainment		785.6					

Summary: Within the local area of the proposed Free School it is expected that three schools will feel a minimal impact, one school will feel a moderate impact and one school may feel a high impact, Hans Price Academy, given its proximity and poor standards.
