Title: Export Licences Approved for Russia

Date of release: 2 April 2014

Information request

Details of export licences approved for Russia, for the period since 30 September 2012. In particular, please provide details of the end-use and the nature of the end-user of the equipment.

Information released

The attached spreadsheet includes details for all Standard Individual Export Licences (SIELs) and Open Individual Export Licences (OIELs) issued since 30 September 2012 to date including: a summary description (Goods Annual Report Summary), the rating of the goods for each licence, total goods value (provided for SIELs only), a statement of the intended end-use (as provided to us by the exporter), supplementary end-use information (provided for OIELs only) and a categorisation of the nature of the end-user

Where information is only provided for a particular application type (either SIELs or OIELs), this is due to differences in the information requested of the exporter on the original licence application.
