AUTHORIZED AMENDMENT

This amendment to RA 4212 is consequent of a review of the entire regulation around Ground Instruction Aircraft (GIA) and Ground Training Aids (GTA). The amendment redefines these two terms and implements a rationalised and simplified regulation scheme. RA 4211 is subsumed into RA 4212 and withdrawn. This updated RA 4212 also replaces MAP-01 Chapters 5.9 and 5.10; these chapters will be withdrawn at MAP-01 Issue 7.
