Subject: FoI Request - funding of wildlife culls

Dear Defra

Please would you provide me with details of how much Defra has spent funding all wildlife culls over the past five years, broken down by year and by species.

This includes:

- * all funds spent on culling badgers, parakeets, grey squirrels, goats, boars, geese, gulls and other wildlife culls in the UK
- * all money given to fund research into culling
- * all money granted to third parties for the culling of any wild animals

Thank you.
