----------	---

Carry the values from boxes A, C & E to boxes 3A, 3B and 3C respectively on page 4 of form C1.

If you find something has been left out, or if any of the figures you have given in this form change later on, you only need to tell us if, taking all the omissions and changes into account,

- the figure at box C is now higher than the inheritance tax threshold, **and**
- there are no exemptions to deduct which keep the value at box E below the inheritance tax threshold. If at any time, the value at box E exceeds the inheritance tax threshold, you must complete a corrective account (form C4), which must be signed by all the executors, and send it to us with a cheque for the tax that has become payable.

The issue of Confirmation does not mean that there is no inheritance tax due on this estate.

To the best of my knowledge and belief, the information I have given in this form is correct and complete. I have read and understand the statements above.

I understand that I may have to pay financial penalties if the answers to the questions or figures that I give in this form are wrong because of my fraud or negligence, OR if the estate fails to qualify as an excepted estate and I do not deliver a corrective account within 6 months of the failure coming to my notice.
