

## Health and Social Care Information Centre

### Board Meeting

#### Part 1 - Public Session

Title of Paper:	Update on the HSCICs progress on implementing the recommendations from the data release review
Board meeting date:	28 January 2015
Agenda Item No:	HSCIC 15 08 04 (e)
Paper presented by:	Carl Vincent, Interim Director of Information and Analytics
Paper prepared by:	Simon Croker, Programme Manager
Paper approved by: (Sponsor Director)	Carl Vincent, Interim Director of Information and Analytics
Purpose of the paper:	To update the Board on progress on implementing the recommendations from the data release review, highlighting outstanding areas of work and next steps.
Please specify the key Risks and Issues:	Reputational risk – work still outstanding against some recommendations. Additional resources have been brought in to support delivery against these areas.
Patient/Public Interest:	Direct – Provides assurance to patients and public alike that the organisation is progressing work in line with commitments made following the review of data releases by the NHS IC.
Actions required by the Board:	None – for Information
