

XP School: Impact Assessment

School name	Distance from free school	School type	Capacity	Attainment in 2012/13	Ofsted grade	Impact rating
Secondary Schools						
Hall Cross Academy	1.4 miles	11-18 age range Academy Converter Not a faith school Mixed	<u>Overall</u> 2262 places surplus of 284 school places (12.6% of total school capacity) <u>At entry point</u> 244 places None unfilled	Above average 67% of pupils achieved 5A*-C inc English and maths	Requires Improvement Last inspected 13/12/2012	Moderate. Although there are surplus places overall, there are none at entry level. This school converted in February 2012 and is a big secondary school with a large sixth form. In their last inspection Ofsted report the school is improving. Though this academy may lose some of its potential future pupils to the new free school, the small size of XP's year cohort means any impact is unlikely to significantly affect the long or short term financial viability of this academy.

School name	Distance from free school	School type	Capacity	Attainment in 2012/13	Ofsted grade	Impact rating
The McAuley Catholic High School	1.7 miles	11-18 age range Voluntary Aided School Roman Catholic Mixed	<u>Overall</u> 1735 places surplus of 10 school places (0.6% of total school capacity) <u>At entry point</u> 283 places 7 entry level places unfilled in 12/13	Above average 66% of pupils achieved 5A*-C inc English and maths.	Outstanding Last inspected 23/04/2009	Minimal. An outstanding school with above average attainment and the only Roman Catholic secondary school in the area. Therefore the financial viability of this school is unlikely to be affected by the new free school in the short or long term.
Balby Carr Community Academy	1.7 miles	11-18 age range Academy Sponsor Led Not a faith school Mixed	<u>Overall</u> 1605 places surplus of 385 school places (24.0% of total school capacity) <u>At entry point</u> 161 places 12 entry level places unfilled in 12/13	Well below average 37% of pupils achieved 5A*-C inc English and maths.	No Ofsted grade Not yet inspected	Moderate This academy converted in November 2013 and is designated as specialist in sports and science. It has a large 300 place sixth form. This school serves of the communities of Balby and Hexthorpe. Though this academy my lose some of its potential future pupils to the new free school, the small size of XP's year cohort means any impact is unlikely to significantly affect the long or short term financial viability of this academy.

School name	Distance from free school	School type	Capacity	Attainment in 2012/13	Ofsted grade	Impact rating
Danum Academy	1.9 miles	11-18 age range Academy Converter Not a faith school Mixed	<u>Overall</u> 1926 places surplus of 159 school places (8.3% of total school capacity) <u>At entry point</u> 235 places 5 entry level places unfilled in 12/13	Well below average 46% of pupils achieved 5A*-C inc English and maths.	Inadequate Last inspected 26/09/2013	Moderate This academy converted in October 2011 and serves the east side of Doncaster. It is much larger than the average secondary and is on a split site. Though this academy may lose some of its potential future pupils to the new free school, the small size of XP's year cohort means any impact is unlikely to significantly affect the long or short term financial viability of this academy.
Armthorpe Academy	2.8 miles	11-18 age range Academy Converter Not a faith school Mixed	<u>Overall</u> 1042 places surplus of 328 school places (31.5% of total school capacity) <u>At entry point</u> 111 places No unfilled places at entry point	Well below average 43% of pupils achieved 5A*-C inc English and maths.	Inadequate Last inspected 27/02/2013	Moderate This academy converted in July 2012 and serves the local community of Armthorpe. It is a smaller than average secondary and the total number of pupils on roll is already declining. Though this academy may lose some of its potential future pupils to the new free school, the small size of XP's year cohort means any impact is unlikely to significantly affect the long or short term financial viability of this academy.
16-19 Colleges						

School name	Distance from free school	School type	Capacity	Attainment in 2012/13	Ofsted grade	Impact rating
Doncaster College	2.0 miles	General Further Education College	5325 learners 47.4% of learners are aged 16-18 This is a large college	Well below average The average points score per student at level 3 in 2013 is 473.1	Good Last inspected 03/05/2013	Minimal Given the small size of the proposed free school, it is unlikely to affect the long or short term viability of the college. As part of trusts s10 consultation the Principle and Chief Executive of Doncaster College wrote to give his endorsement of the free school and said he was in favour of it opening.
Dearne Valley College	8.9 miles	General Further Education College	2166 learners 57.9% of learners are aged 16-18 This is a large college	Well below average The average points score per student at level 3 in 2013 is 425.3	Satisfactory Last inspected 01/04/2011	Minimal Given the small size of the proposed free school and distance between the two sites, it is unlikely to affect the short or long term viability of the college
Rotherham College of Arts and Technology	11.6 miles	General Further Education College	6093 learners 37.5% of learners are aged 16-18 This is a large college	Well below average The average points score per student at level 3 in 2013 is 472.2	Good Last inspected 24/05/2013	Minimal. Given the small size of the proposed free school and distance between the two sites, it is unlikely to affect the short or long term viability of the college.
